Site 1 = Cornell

Site 2 = MSKCC

Site 3 = HSS

Site 4 = CHN

Blocks are 2 week intervals

Elective options: psychiatry, allergy/immunology, dermatology, medical ophthalmology, office gynecology, otorhinolaryngology, nonoperative orthopedics, palliative medicine, sleep medicine, rehabilitation medicine, and addiction medicine

1 of the 2 week elective blocks per year is jeopardized

Residents must choose Ambulatory/Outpatient elective blocks to meet the Ambulatory requirements

Continuity Clinic may be held at sites 1 or 4

Schedules will vary each year based on number of residents per class
